Procedure for Entering Results in AAP Newspapers

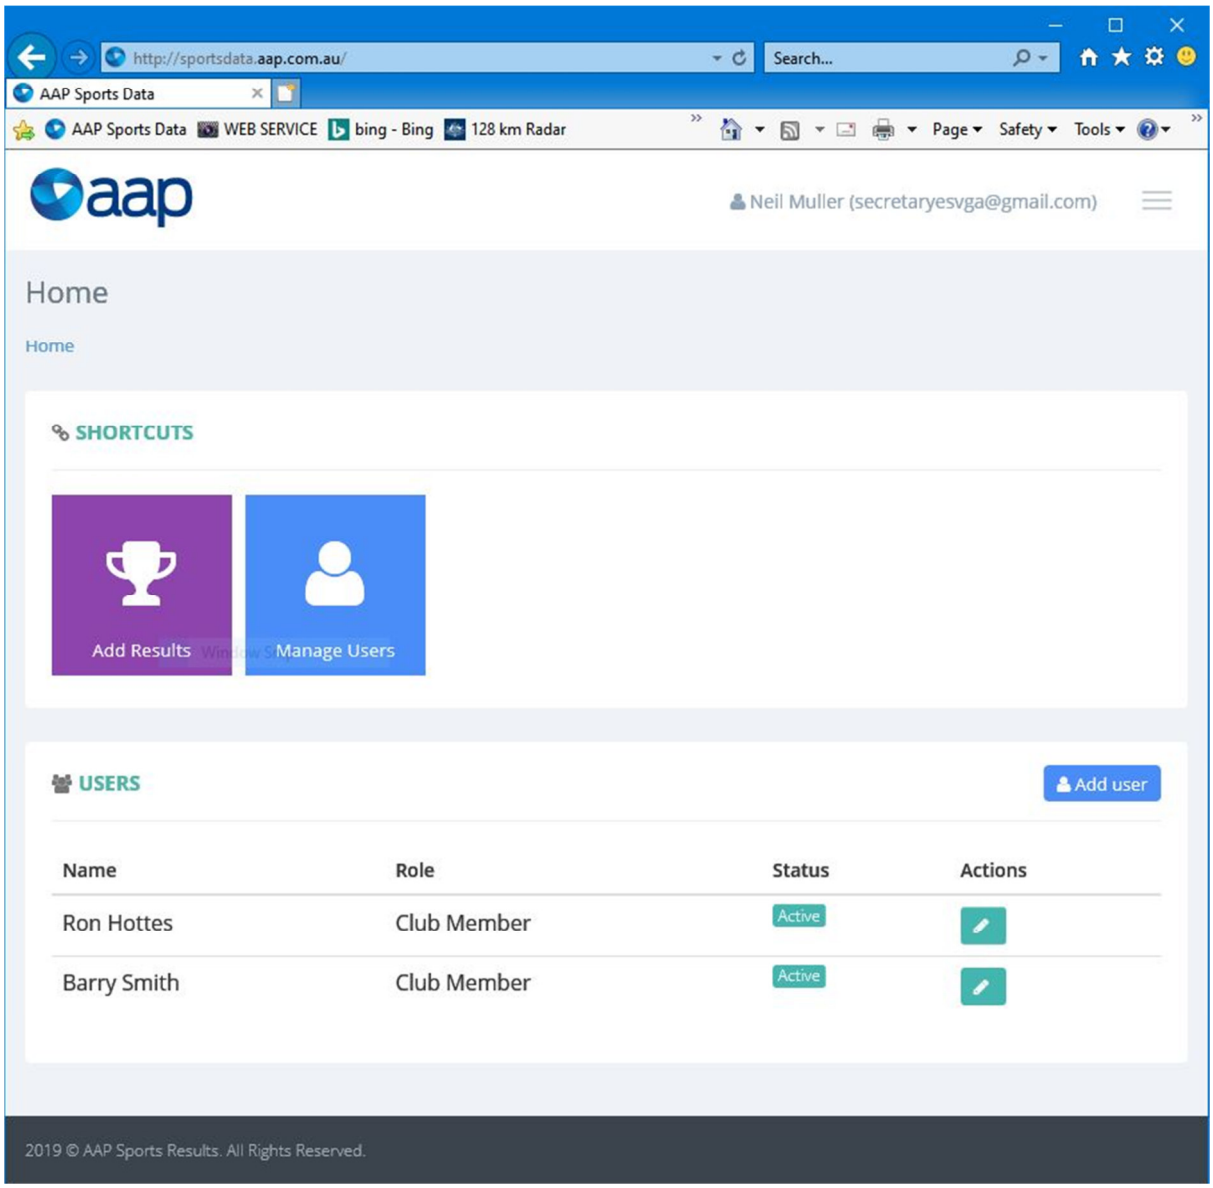

Step 1 Log into http://sportsdata.aap.com.au

When the "**Logon page**" opens enter your email address and password

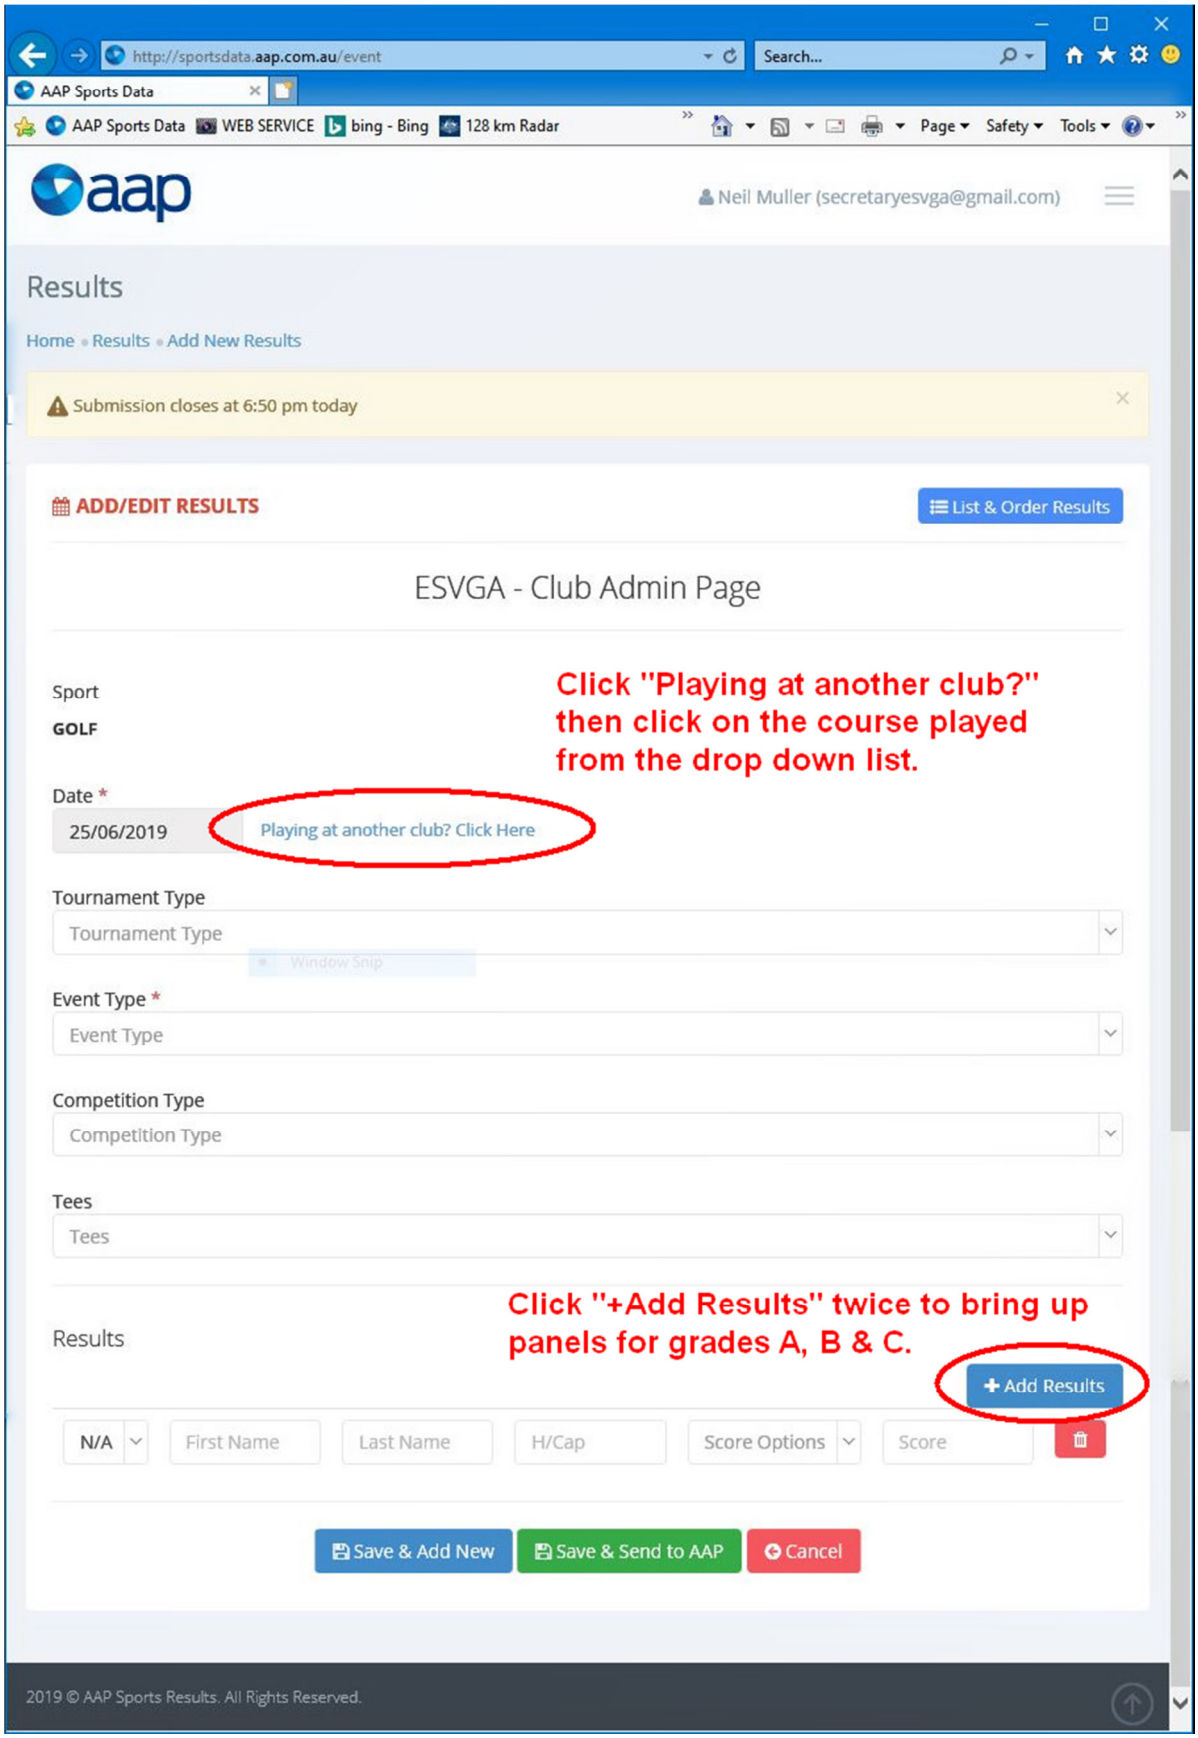

Step 2 Click on the "**Add Results**" button

Note the Secretary is the administrator and the 2 users added are Ron & Barry.

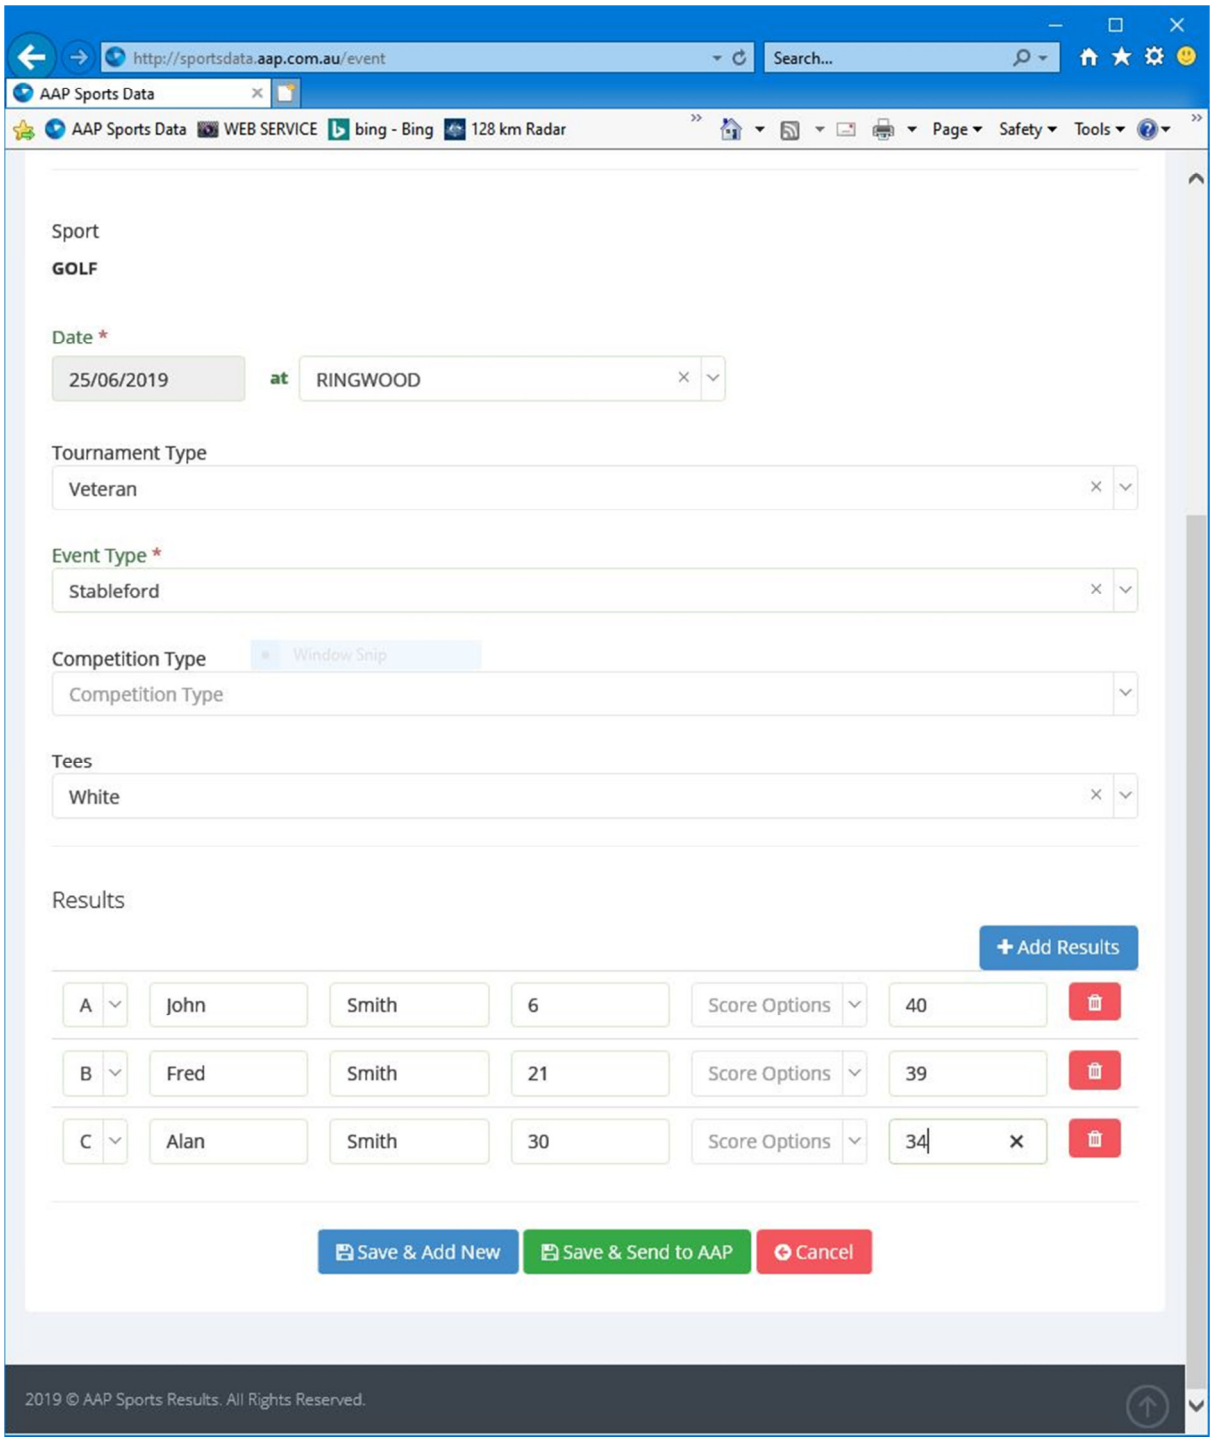

Step 3 The “**Add/Edit Results**” page opens

Note the hints in red Click on the “Add Results” button

Step 4 The completed "**Add/Edit Results**" page with sample results shown

Step 5 Click the green button "**Save & Send to AAP**".

The results to be added to the newspaper are displayed and if correct you can exit the website or correct them as necessary
