Step 2 – Once all players are known, determine groups and tees.

Tips

- Consult the Pro for the best tees for cart players or
- Use course maps on the ESVGA website
- Send cart players to the furthest tees
- Alternate players between near and far tees from month to month.
- Use the “NTP list” on page 2 to determine which groups take out & bring in the NTP markers.

Send out an early draw, before our committee meeting to ensure all members are aware who is down to play.

Step 3 – After final numbers are received from members, send out the "final" draw and newsletter on Thursday. See example on page 3.

- The file sent to members is a pdf file created from the Excel spreadsheet shown on page 4.
- Names in BOLD are players with carts.
- Tees highlighted in yellow are for the NTP "take out" and "bring ins" groups

(Bruce, you'll need to send the list to me and I'll combine it with Ron's newsletter)

Step 4 – Club details:

- Contact the manager at the club on Thursday before our game and advise him of the number of sandwiches to order. The contact number is on the ESVGA website.
- Contact the Pro and confirm game details (Stableford/stroke, tees, shotgun start and time) and the use of **autocards**.
- Send the Pro an Excel spreadsheet of player's names and their Golflink numbers. Ask for cards to be pre-printed.

  (Bruce I'll send you a copy of all members email addresses and their Golf link numbers to prepare the list. I understand Barry uses all names on the spreadsheet I'll send you and deletes those that are not playing).

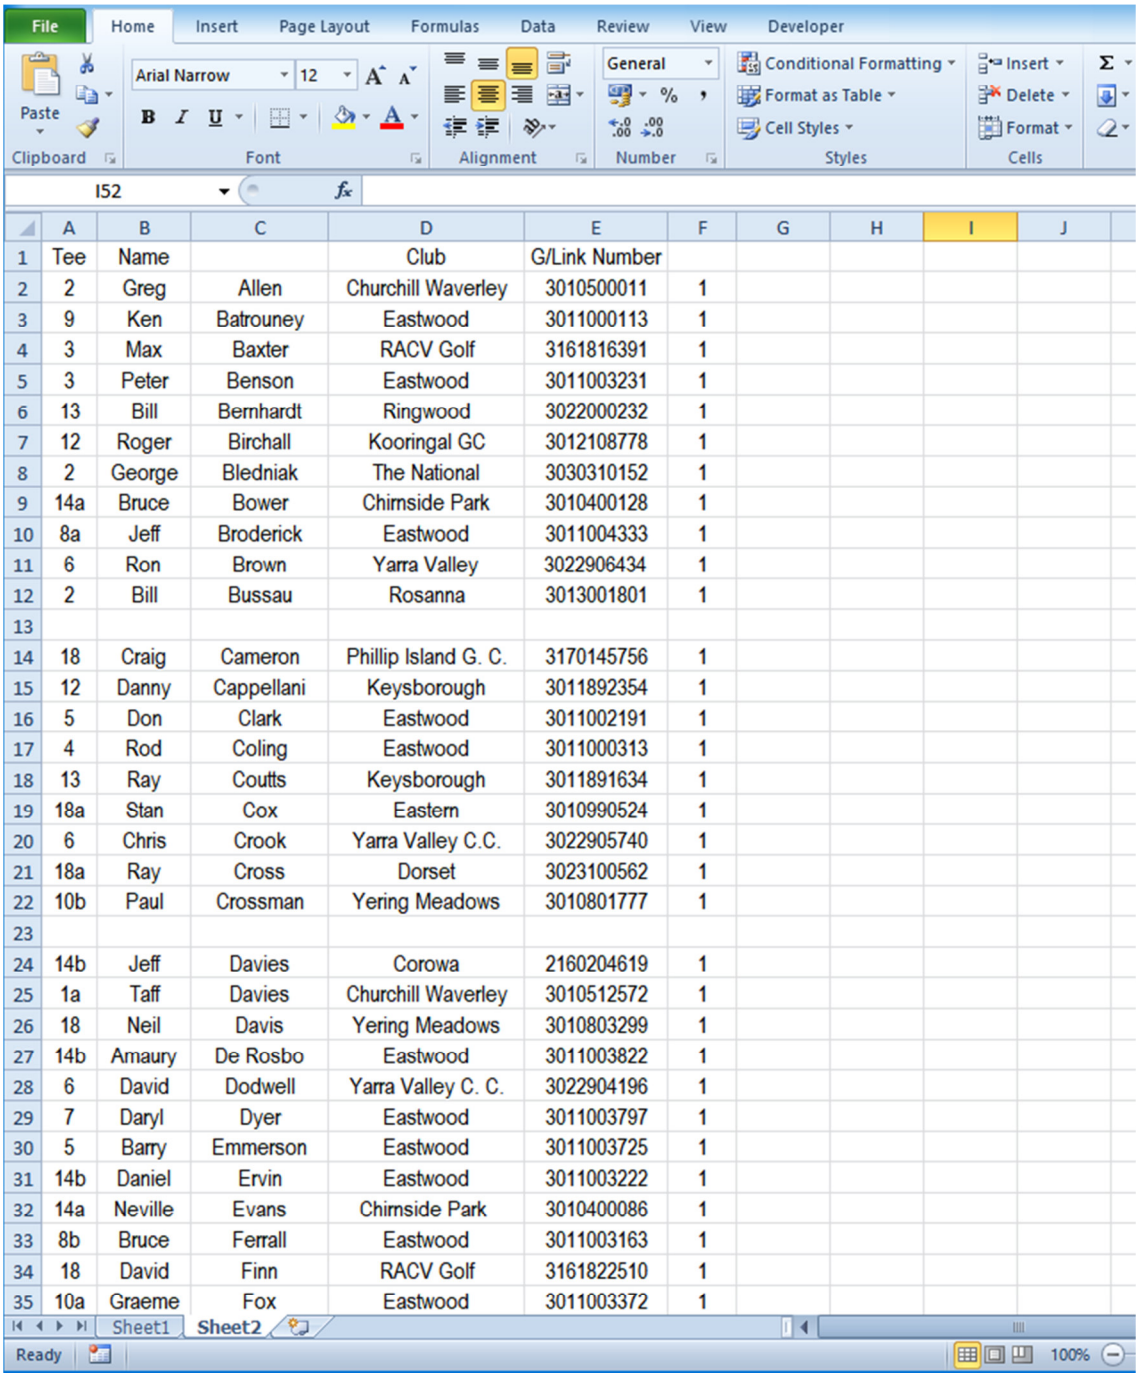

Step 5 – ESVGA Committee details for Mondays game:

- Send an alphabetic list of players to Ron & Gary for the start table as per the sample on page 5. (This can be in Excel format or pdf)
- You may have to send an updated sheet to Ron & Gary late on Sunday if changes are significant. Players and tees may need to be changed depending on the players who cancel over the weekend.
- Notify the Pro, Monday morning if possible of the players who have cancel since he was given the list on Thursday. Consult with Ron or Gary to catch players who did not show up Monday morning.
  This is not always possible but will ensure the Pro is not waiting for cards from non-existent players at the end of the game as was the case at Beaconhills.
- Send Neil the same Excel spreadsheet so players' names can be entered into the computer. This list will be used for post-game entering of scores.
